

WELCOME TO OUR KITA

STATEMENT OF CONSENT

for the use of personal images, personal data and individuals' works in the Kita

The daycare centre

the provider for which is

(enter the name and full address in each case)

intends to produce your child's personal images, personal data and individual work within the Kita and to publish these for internal purposes. Personal images in this sense are photos, graphics, drawings or video recordings, which depict children in an individually identifiable manner.

By doing so, we wish

- to document the steps in your child's learning and education (portfolio work / observation and documentation)
 - to creatively arrange the rooms in the Kita and to make the activities of the children's group open to the public for children, parents and visitors
 - to illustrate your child's loose-leaf binder
 - to design the Kita's newsletter
 - to show video sequences at parents' evenings
-
-

Consent is voluntary.

A refusal to provide consent or the withdrawal of consent shall not have any negative consequences.
