

# WELCOME TO OUR KITA

## STATEMENT OF CONSENT

for the use of personal images, personal data and individuals' works for the preparation of \_\_\_\_\_ of the Kita \_\_\_\_\_ / of the provider \_\_\_\_\_ der Kita \_\_\_\_\_ together with \_\_\_\_\_  
 (enter project and/or name in each case)

Personal images in this sense are photos, graphics, drawings or video recordings, which depict children in an individually identifiable manner.

In the course of our \_\_\_\_\_, using authentic images, we should like to make the educational work / impressions from the life of our Kita open to a wider public.

To this end, we have also looked at including some photos of your child/your children, which we consider particularly suitable, to help get the message across through images.

We intend to print \_\_\_\_\_

in a quantity of \_\_\_\_\_

The target group includes \_\_\_\_\_ /

The intended use comprises \_\_\_\_\_

Consent is voluntary. A refusal to provide consent or the withdrawal of consent shall not have any negative consequences. Unless consent is withdrawn, it is considered to be of indefinite duration, i.e. for the entire Kita year and in principle - unless otherwise specified - beyond the period of attendance at the Kita also.

I/we have received the following information (regarding data protection law):

- > The rights to the photos are granted at no charge and equally include processing rights, provided such processing does not cause any distortion.
- > Consent is considered to be unlimited, i.e. for the entire Kita year and in principle - unless otherwise specified - beyond the period of attendance at the Kita also.
- > For printed matter, consent may no longer be withdrawn once the print order has been placed. The withdrawal of consent must be notified in writing to the Kita management and shall then apply to any reprint.
- > Not only newspapers, but also other print media, may possibly also be viewed online and downloaded.
- > Information and images published online may be accessed worldwide and anyone can download and store them, and combine them with other data.
- > Once information has been published online, it can practically no longer be removed.
